## Bobcat Day

Saturday, April 22

REGISTER  
HERE

Our biggest event of the spring, Bobcat Day is your chance to explore the University of California, Merced and learn about the academic and student life opportunities we offer. Hear from students, staff and faculty, and tour our academic facilities and campus housing.

Visit [bobcatday.ucmerced.edu](http://bobcatday.ucmerced.edu)

## Experience UC Merced

April 3 to 28

During Experience UC Merced, admitted scholars will have an opportunity to enjoy the classroom experience, dine in the Pavilion Dining Center for lunch, receive a campus tour and explore UC Merced.

## Spotlight UC Merced

Saturday, April 29

This half-day introduction to UC Merced is the last event of the spring for admitted first year students. It serves as a valuable chance to ask any final questions as you select the best college to fit your educational goals. Find out about housing, student life, financial aid, academic opportunities and more.

## Transfer Day

Wednesday, May 17

Saturday, May 20

Admitted transfer students can tour campus, speak with Admissions and Financial Aid advisors, submit any supplemental documents such as transcripts, get advising from each of our academic schools, and learn about special resources available to transfer students.

*“At UC Merced, I have been given the opportunity to create something that others will be able to look back to and use as a guide.*

*I don't want to walk where others have walked, but rather find a path that others will follow. That's what UC Merced is about: helping leaders grow and create a tomorrow of leaders by providing new opportunities today.”*

Reyna Gabriel-Peralta, Anthropology major
