Visit Week

April 22 to 26

You'll have an opportunity to interact with students and staff, tour campus, attend presentations and get answers to any questions you have about the University.

Spotlight UC Merced

Saturday, April 27

This half-day introduction to UC Merced is the last event of the spring for admitted students. It serves as a valuable chance to ask any final questions as you select the best college to fit your educational goals. Find out about housing, student life, financial aid, academic opportunities and more.

Transfer Day

Tuesday, May 14

Admitted transfer students can tour campus, speak with Admissions and Financial Aid advisors, submit any supplemental documents such as transcripts, get advising from each of our academic schools, and learn about special resources available to transfer students.

“At UC Merced, I have been given the opportunity to create something that others will be able to look back to and use as a guide.

I don't want to walk where others have walked, but rather find a path that others will follow. That's what UC Merced is about: helping leaders grow and create a tomorrow of leaders by providing new opportunities today.”
