

Fall 2022 Conditions of Admission Transfer Students

Congratulations! Your academic achievements have earned you an offer of admission to the University of California, Merced. You must meet all conditions – specifically, conditions 1-8 listed in this document below – to prevent the cancellation of your admission.

Before submitting your SIR, please read and make sure you understand the Conditions of Admission listed below. Submitting your SIR and accepting this offer of admission signifies your acknowledgment that **failure to satisfy any of the conditions listed below will result in UC Merced withdrawing your offer of admission**. Please note that the \$250 SIR deposit is nonrefundable, even if your offer of admission is withdrawn.

Our admission decision was based on the information you reported in your application. **Applicants are solely responsible for the accuracy and completeness of all academic information they report to UC Merced. Failure to submit accurate information will jeopardize consideration for admission to UC for the current or any future terms.** Students found to have falsified application information will be subject to penalties up to and including denial of admission, withdrawal of an admission offer, registration cancellation, expulsion, or revocation of a University of California degree.

Although UC Merced maintains the right to withdraw any offer of admission if any of the conditions listed below are not met, if you make us aware of any low grades or changes, we may be able to suggest alternatives in the event your admission appears to be jeopardized. Report any low grades and changes by following the directions below.

Transfer applicants must:

1. Submit a Statement of Intent to Register (SIR) by June 1, 2022, or the date shown in the My Admissions section of the [UC Merced Connect](#) platform.
2. Maintain eligibility and notify us of any changes to your academic history. Complete all courses you indicated as “in progress” or “planned” with grades of C or better, unless the selection criteria for your major indicates otherwise. If you receive a C-, D, F, W (Withdrawal), NP (No Pass) or NC (No Credit) grade, add or withdraw from any courses or enroll in a college other than previously indicated, you must notify the Office of Admissions immediately by submitting a Transfer Academic Update (TAU) if it is by March 31, or by posting the changes to “My Course Updates” on UC Merced Connect.

Please note: We strongly discourage you from changing your schedule. Also note that one D, F, NP or NC grade in your current term may cause you to be ineligible for admission to the University of California.

As a reminder, UC Merced will accept Pass or Credit grades for admission purposes in major preparatory coursework completed in winter, spring, summer and fall 2020, for all majors, as long as the Pass or Credit grade is equivalent to a C (2.0) or better.

3. Be in good standing (minimum 2.0 grade-point average) at your last institution and in your last term, including summer session.
4. Ensure that final, official transcripts from all high schools and higher education institutions you have attended through Spring 2022 are submitted to the Office of Admissions. Transcripts must be postmarked or electronically submitted on or before **July 1, 2022**. Final official transcripts must show grades received for the spring term.

If you or your college(s) cannot comply with these conditions, you must notify the Office of Admissions in advance, by email or telephone.

If you have attempted college or university level coursework at an institution outside the U.S., all college or university academic records (transcripts) must be sent in a sealed envelope directly from the institution in the original language, along with English translations.

5. If listed in the checklist section of [UC Merced Connect](#), ensure that any additional requirements such as, but not limited to, submission of AP exam scores are received by the Office of Admissions by **July 15, 2022**, unless another date is specified in your Checklist on UC Merced Connect. This includes official results of external examinations such as International Baccalaureate (IB), A-Level examinations, or language proficiency exams such as TOEFL or IELTS.
6. If you enroll for the summer term, the term must end early enough for the UC Merced Office of Admissions to receive final transcripts for the summer term no later than **Aug. 15, 2022**.
7. Register for courses by **Aug. 1, 2022**.
8. Adhere to the UC Merced student code of conduct, (beginning the day you submit your SIR) found at ucm.edu/v/conduct.

If you need to report a D, F, NP or NC grade received, or if you have withdrawn from or dropped a course, please self-report in “My Course Updates” on [UC Merced Connect](#) by July 1, 2022.

If you have questions about any of the above conditions, please contact us at admissions@ucmerced.edu or 209-228-7178.
